

WARFARE PLATFORMS

CYBER WARFARE

THE FIGHT BEYOND
ENEMY LINES

THE ROLE OF AI IN WARFARE

If classic computer hacking, spoofing, advanced persistent threats, and related measures gradually lose some of their effectiveness, a new set of challenges is appearing on the horizon.

Cyber Warfare

What it is

IT IS TYPICALLY
CONCEPTUALIZED AS
STATE-ON-STATE ACTION
EQUIVALANT TO AN
ARMED ATTACK OR USE
OF FORCE IN CYBERSPACE
THAT MAY TRIGGER A
